

一筆畫手寫辨識—測試截圖

109703013 資科三 周彥綸

See how does it work : ☐

Here is the shape you can draw to identify

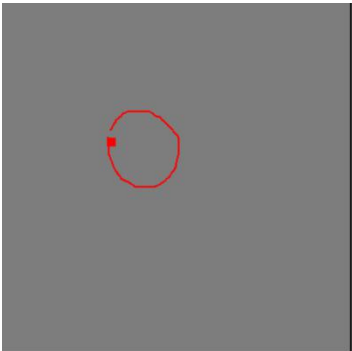

0	1	2	3	4	5	6	7	8	9
---	---	---	---	---	---	---	---	---	---

(•) Heavy dot indicates starting point.

Draw it to the right grey section

I think it is : 0

With percentage : 0.9402894328503104

See how does it work : ☐

Here is the shape you can draw to identify

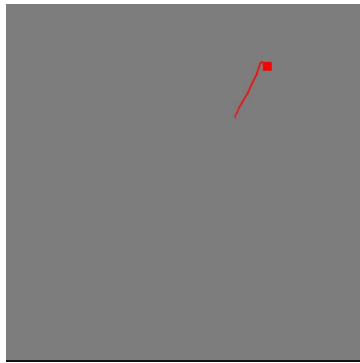

0	1	2	3	4	5	6	7	8	9
---	---	---	---	---	---	---	---	---	---

(•) Heavy dot indicates starting point.

Draw it to the right grey section

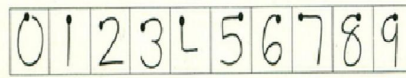

I think it is : 0

With percentage : 0.9657634567999573

See how does it work : ☐

Here is the shape you can draw to identify

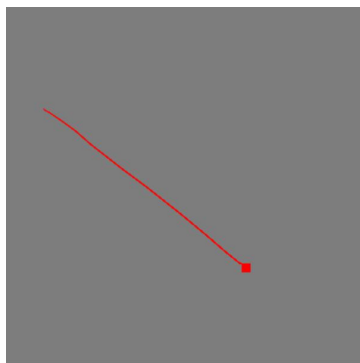

(•) Heavy dot indicates starting point.

Draw it to the right grey section

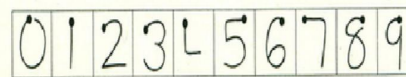

I think it is : 1

With percentage : 0.990574246450673

See how does it work : ☐

Here is the shape you can draw to identify

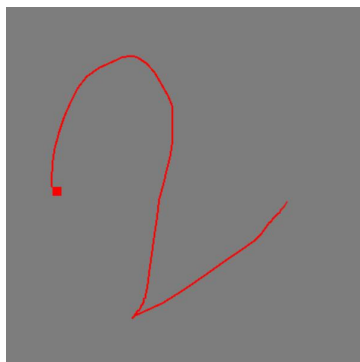

(•) Heavy dot indicates starting point.

Draw it to the right grey section

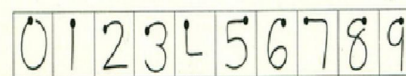

I think it is : 1

With percentage : 0.9912563876291983

See how does it work : ☐

Here is the shape you can draw to identify

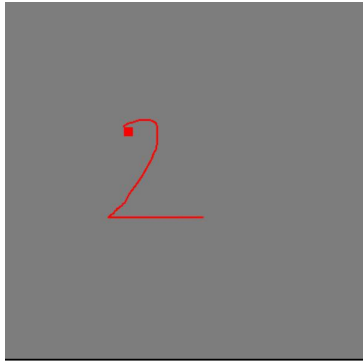

(•) Heavy dot indicates starting point.

Draw it to the right grey section

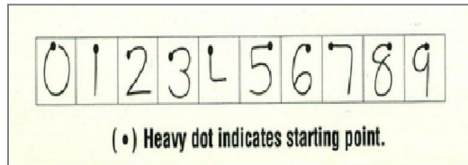

I think it is : 2

With percentage : 0.9517670371787359

See how does it work : ☐

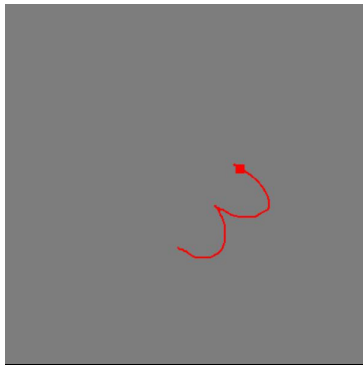

Here is the shape you can draw to identify

Draw it to the right grey section

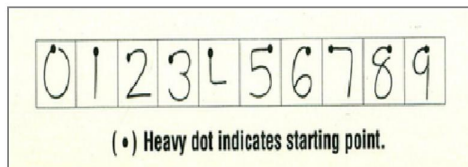

I think it is : 2

With percentage : 0.8997973747021257

See how does it work : ☐

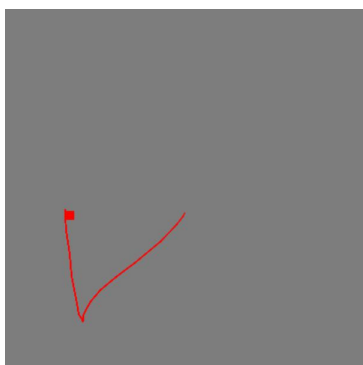

Here is the shape you can draw to identify

Draw it to the right grey section

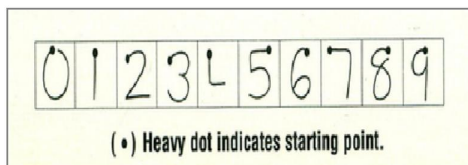

I think it is : 3

With percentage : 0.8218103895993458

See how does it work : ☐

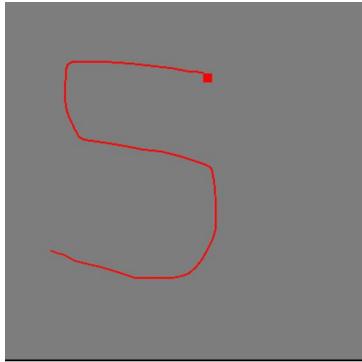

Here is the shape you can draw to identify

Draw it to the right grey section

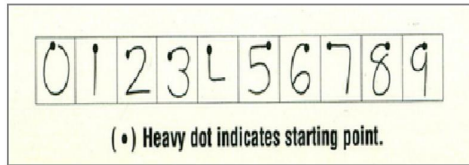

I think it is : 4

With percentage : 0.8923020356729013

See how does it work : ☐

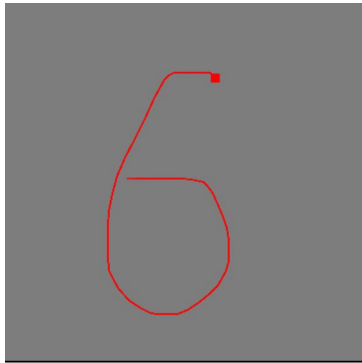

Here is the shape you can draw to identify

Draw it to the right grey section

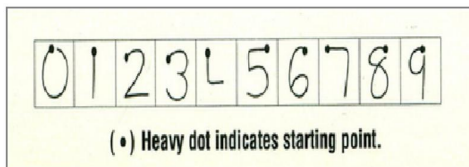

I think it is : 5

With percentage : 0.9321611366069069

See how does it work : ☐

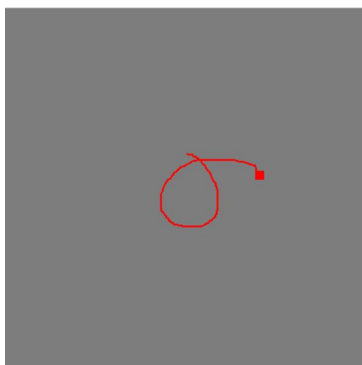

Here is the shape you can draw to identify

Draw it to the right grey section

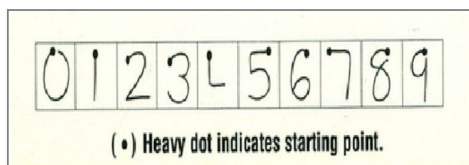

I think it is : 6

With percentage : 0.8976379278929438

See how does it work : ☐

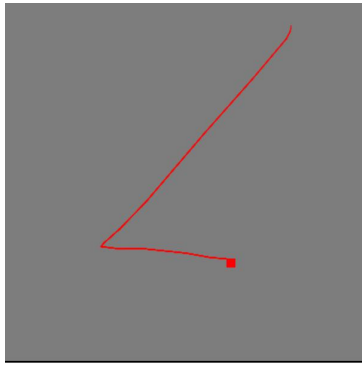

Here is the shape you can draw to identify

Draw it to the right grey section

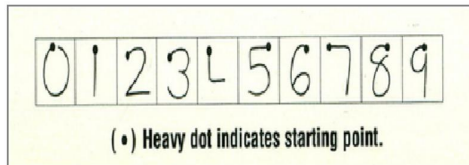

I think it is : 6

With percentage : 0.9047648766382685

See how does it work : ☐

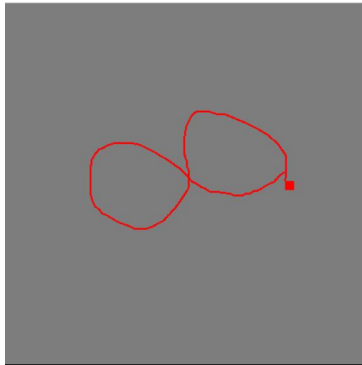

Here is the shape you can draw to identify

Draw it to the right grey section

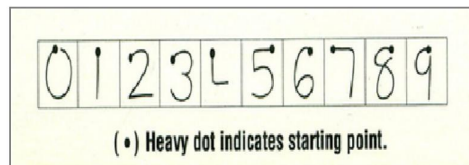

I think it is : 7

With percentage : 0.9322728219608619

See how does it work : ☐

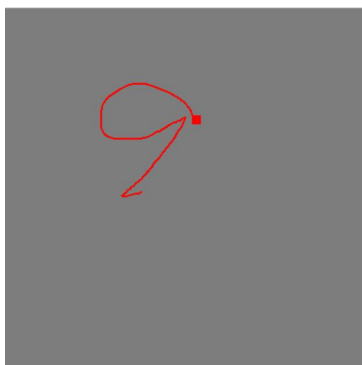

Here is the shape you can draw to identify

Draw it to the right grey section

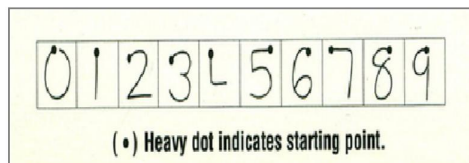

I think it is : 8

With percentage : 0.8931072792062027

See how does it work : ☐

Here is the shape you can draw to identify

Draw it to the right grey section

I think it is : 9

With percentage : 0.8655107735226483
